Dear Friends and Fellow Republicans

## **Wisdom From Your Friend And Mine – Cookie Monster**

While Democrats keep telling us this is the greatest economy ever, our dear friend Cookie Monster knows how dangerous these times can be. Cookie Monster sums it up rather brilliantly in a way that anyone who is not a leftist can understand. See Twitter Screen Shots above. Cookie Monster understands what these self appointed rocket scientists refuse to see, that inflation (shrinkflation) is ruining this country.

## **Some Numbers From the March 5 Primary**

Further analysis of the numbers from the March 5 primary show that Team Trump and Team GOP had a stellar day compared to Team Biden. We especially did well inside CD 6, with Clarke County having the best turnout percentage wise in the Commonwealth. Clarke County had a 20.9% turnout. Also doing well inside CD 6 was Highland, Bath, Botetourt, Augusta, and Rockbridge. Also performing in the top 2 tiers were: Frederick, Roanoke County, Shenandoah, Warren, Alleghany/Covington, Rockingham, Staunton, and Waynesboro. It is clear to anyone with eyes to see that to win Virginia, we need to turn out every voter inside CD 6.

The fact that GOP voters came out by more than a near 2-1 margin (690,000 to 346,000) for Team Trump and Team GOP (yes some Democrats did vote in our primary but not by enough to significantly change that percentage) shows that we have an advantage. And even in the Petersburg area, which is the most Democrat part of Virginia, people are not motivated to vote for the Democrat party.

Fact is that because of NOVA and Richmond/Petersburg, Virginia is a tilt blue state. However the fact remains that our people are fired up to vote for Donald Trump and to vote out Joe Biden. I must again remind everyone to not pay too much attention to anyone who says we have this election in the bag. We heard this back in 2022, and the GOP laid an egg for all to see. We do have another chance to make things right this time around. It can only be done through hard work, and each of us giving more of ourselves than we thought we had in us.

If you can donate, by all means please do so. Knocking doors, making phone calls, hosting a meet and greet for a local candidate, writing letters to the

editor. Working the polls, being a Poll Watcher or Elections Officer, there are dozens of ways to be involved. Driving people who need a ride to the polls etc.

And for those of you who helped out with the GOP primary, supporting either Donald Trump, Nikki Haley, or were poll watchers or Officers of Elections, thank you for what you have done and will continue to do.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
