Dear Friends and Fellow Republicans

## **Ben Cline vs. Extremist Jennifer Lewis**

This past weekend, Ben Cline had the 1st of his 3 candidate forums with left wing extremist Jennifer Lewis. The forum was held at the Handley Library and was co-sponsored by the American Association of University Women, along side Handley Library. At the forum, which was attended by about 110 people, we saw just how dangerous and out of touch radical leftists really are.

The forum didn't allow for much exchange between the 2 candidates. Middletown Mayor Charles Harbaugh was the moderator. Ben got up and talked about his record in Congress. Ms. Lewis got up and said (among other

protect all abortions, and so many other bizarre things that it was hard to keep them all in my head. Ms. Lewis called for the need for bi-partisanship and for us all to get along, while calling Trump supporters fascists just a few sentences later.

What I found most shocking about the event was the fact that Jennifer Lewis could not speak without prepared notes when talking about herself. A person running for any office, from City Council to President, really should know who and what they are and what is important to them. Yet Ms. Lewis could only speak from prepared notes. Ben Cline on the other hand, like most public servants, was more than able to talk about his record without prepared notes, or without haranguing those who disagree with him. Ms. Lewis could not even do that, suggesting that anyone who was there in support of Ben Cline was there to heckle her. (again her words).

I'd like to take this time to thank once again Middletown Mayor Charles Harbaugh for agreeing to be the moderator of this event. Charles did an outstanding job in handling a rather delicate situation.

### **Why Is No One Discussing The 25th Amendment Where It Pertains To Joe Biden**

Take yourselves back to 2018 and 2019. All we heard on CNN was how the 25th Amendment needs to be implemented when it comes to Donald Trump. The 25th Amendment says, in part, that the Vice President may, along with a majority of the Cabinet, remove the President if the President is deemed to be unable to discharge his/her duties.

However it must be clear to pretty much everyone that Mr. Biden is unable to discharge his duties, and maybe these same talking heads should consider calling for the 25th Amendment to remove Biden. Yes that means we'd get Kamala Harris. And yes she's more pathetic than Mr. Biden. Maybe this is more a topic for debate and discussion.
