Dear Friends and Fellow Republicans

## Democrats Want Us To Suffer

### Why Is FEMA Out Of Money? Biden/Harris Gave Money Meant For Us To Illegal Aliens

Earlier this week, Alejandro Mayorkis, the head of Homeland Security, announced that FEMA, the Government agency tasked with handling natural disasters such as the hurricane which recently devastated North Carolina and

giving \$640 million dollars to help illegal aliens settle in the USA in April of this year. Think of our friends in NC and in Southside Virginia who are without power and water and/or food. We've all paid our taxes and now that FEMA (thank you Biden Harris) has given money meant for us in case of a natural disaster to illegal aliens, we are supposed to get this money back because of Hurricane Helene.

But thanks to the incompetence and criminality of the Biden Harris administration, this money has been given to those who broke our laws. Because the Biden/Harris regime has been trying to change the makeup of our society, over 12 million illegal aliens have come into this nation during the past 3.5 years. And now because the Biden/Harris regime loves illegal aliens more than taxpaying citizens (of all political persuasions). And yes, the Biden Harris regime wants us to thank them for wasting all these tax dollars and then having FEMA only give people who lost everything \$750.00. Yes that's right. Illegal aliens get cheaper college tuition and dozens of other freebies, and you and I get \$750 after being taxpaying citizens.

Note that the Biden Harris regime has been disturbingly silent during this catastrophe. They openly don't care what happens to us. Remember this when voting.

### **Democrats Can No Longer Hide Their Hatred Of Us.**

Recently a poll came out, done by the Rasmussen Group, showing that 28% of Democrats think that the country would be better off if Trump had been assassinated. Another 24% of Democrats were not sure if assassinating Trump would be a good or bad thing. Just under 50% of Democrats think that assassinating Trump would be a bad thing. Over 1/2 of all Democrats do not think that Donald Trump should get more security, even after 2 assassination attempts.

Even nuttier, 49% of all Democrats think that Trump was behind his own assassination attempt. Yes, 49% of Democrats think that Trump was behind his own shooting.

Of course however, it's not that hard to see why, when you have Mr. Joe Biden out there in 2022 calling all of us "MAGA Republicans represent an extremism that threatens the very foundation of our Republic".

All this while they manufacture false legal charges against Republicans.

### **Hung Cao Scores Major Victory Against Tim Kaine**

Hung Cao showed why he should be the next US Senator from Virginia, giving multiple body blows to Tim Kaine in a debate earlier this week. Kaine was clearly put off by Captain Cao's attacks. Let's hope it's enough. To watch the entire debate: <https://www.youtube.com/watch?v=WIPd0xdlhrA>
