

IMPORTANT UPDATES *from* CONGRESSMAN CLINE

As we continue to keep in our thoughts and prayers those devastated by the tragedy of Hurricane Ian, I reach out as the Hurricane's track may pass inland towards Virginia's Sixth District, according to [current hurricane tracking models](#).

As Governor Youngkin mobilizes resources on the state level, my team on the Federal level is closely coordinating with state and local governments, as well as monitoring information from utility companies to ensure necessary services remain available to all constituents.

Virginians should stay alert, get prepared, and make a plan today in case of flooding or severe weather damage. Follow [Virginia Department of Emergency Management](#) & your local [U.S. National Weather Service \(NWS\)](#) to stay up-to-date.

Constituent [service representatives](#) in my offices can serve as an information resource and help to ensure individuals are getting a timely response from Federal agencies, including the Federal Emergency Management Agency (FEMA).

My four district offices listed on my [website](#) include:

- Harrisonburg District Office (540) 432-2391
- Staunton District Office (540) 885-3861
- Roanoke District Office (540) 857-2672
- Lynchburg District Office (434) 845-8306

Please do not hesitate to contact me if I can be of further assistance.

Sincerely,

Ben Cline
Member of Congress
