Dear Friends and Fellow Republicans

DNC Convention is a Train Wreck

Well now we see what we are up against – and this was available for the entire world to see as well – a bunch of angry spoiled rotten lefties who whine when they can't get their own way. Eugene Robinson of the Washington Post said it best when he announced that “This is Kamala Harris’ Democrat Party now”. Which means that the Democrat Party has officially gone full bore communist in every way from price controls on food – for those of you who remember the gas lines from the 1970’s – just imagine long lines at your local Food Lion or Aldi – and nothing to buy.

Kamala Harris and her Democrat Party now believe 100% in:

Child grooming

Higher taxes on the middle class

Supporters of Hamas aka global terrorism against the Jewish nation

\$25,000 subsidies for home owners (which would mean a \$25,000 increase in house prices)

A raise in the minimum wage (which would further harm jobs for teenagers and immigrants as more and more companies would switch to tech instead of employing low skilled workers and teens)

Open borders

Defund (excuse me) Re Imagine the police

This is what the Democrat party now stands for. It's official. (I could go on for hours but we'd be here until next week with examples of their lunacy. The choice is clear – Trump/Ben Cline/Cao and sanity – or we become Venezuela and feel good about ourselves whilst we starve.

Onto Virginia

Recently, several rather prominent Democrats were spiking the football over a Roanoke College poll showing Kamala Harris in the lead by 3 in Virginia. However if I was a Democrat strategist, I'd be quaking in my boots – as the poll shows that Trump is in much better shape than he was in 2016 or 2020. For example, in 2020, in their August 2020 poll, Roanoke College showed that Trump was down 53-39. Trump is also ahead with true independent voters in Virginia by 47-35.

Also – most voters believe that Trump would be tougher on Putin than Harris (so much for Russian collusion huh). Also more voters are seeing that the Democrat Party is very anti-Democratic. And most important, the top issue remains the economy. Since Kamala Harris has been in office nationally for 4 years, she will be blamed in part for the bad economy. We still have an uphill battle, but with Governor Youngkin clearly behind Team Trump, we have a great shot to Take Back Virginia this November.

On a Personal Note

I want to take this time to thank those of you who donated to the Congressional District earlier this week. This has been a grass roots effort and this is something I'm quite proud of. Please remember that each \$25.00 donation purchases one radio ad.

For those of you wondering where to send a check, please send to the following address:

292 W. Queen Street
Strasburg, Va 22657.

The District Committee is a 100% volunteer organization. Funds will go 100% into getting 4x4 Trump/Cline/Cao signs and purchasing radio ads.

I remain

Your servant
