Dear Friends and Fellow Republicans

The Democrat Party is NOT Democratic

As everyone is aware now, this past weekend, Democrat Party elites, led by Nancy Pelosi and Barack Obama, forced out Presidential nominee Joe Biden, after figuring out that he could not win in November.

The timing of everything is bizarre at best – and it seems that their DEI nominee, VP Kamala Harris will be the candidate against Donald Trump this November.

We can all agree that Mr. Biden was no longer qualified to be their nominee. What is despicable is the fact that the Democrats tried to hide this fact from the American populace for the past year or more. And once they could no longer hide this fact, they forced Mr. Biden out of office in a palace coup, and have installed Kamala Harris as their nominee. <https://www.youtube.com/watch?v=MuliCVG9hN8&t=376s>

They are trying to say that VP Harris is a formidable candidate who we should all be scared of. Well she is scary, but not in the way that they want her to be.

In 2020, when much of America was burning as radical leftists were rioting, then Senator Kamala Harris was raising bail money for those who had been arrested. See, it's ok for Democrats to burn and pillage. <https://dailycaller.com/2024/07/22/kamala-harris-promoted-bail-fund-released-rioters-sex-offenders-woman-beaters-prosecutor-felon-donald-trump/>

And who can forget that 2019 Presidential Debate when Kamala Harris was taken apart for all to see on the world stage. Then Hawaiian Congresswoman Tulsi Gabbard exposed then Senator Harris' real record. Seems that Ms. Harris kept non violent offenders in prison past the ends of their sentences so the

the California court system forced her to give this evidence up.

Here is Tulsi Gabbard exposing the real Kamala Harris (fast forward to the 4:00 mark) <https://www.youtube.com/watch?v=Y4fjA0K2EeE>

And contrary to what the corporate media will tell us, in the liberal state of California, in her 1st statewide campaign for office, she only won the race for Attorney General by..... .8%. Yes, in a state where Democrats usually win by 10-30 points – Ms. Harris won her race for Attorney General by less than 1%. 4,442,781 to 4,368,624 over Republican Steve Cooley, or 46.1% to 45.3%. Ms. Harris is not some electoral juggernaut. Note that year, Jerry Brown won by 12%+ over a very formidable candidate, Ebay CEO Meg Whitman. Aka Governor Brown got Kamala Harris over the top.

Kamala Harris had one job – ONE JOB – Joe Biden put her in charge of border security. We know what a great job she did there. (NOTE THE SARCASM)

Real Clear Politics currently has Donald Trump a 2-5% favorite over the Vice President. But this will not occur if we quit working now. Ben Cline issued a statement on Mr. Biden's withdrawal from the Presidential race, which you can read below:

Washington, DC – Today, Congressman Ben Cline (R-VA) released the following statement regarding President Joe Biden dropping out of the presidential race.

“The undeniable truth is that Joe Biden’s mental incapacity forced him out of the race, rendering him unfit for the presidency,” Rep. Ben Cline said. “If Biden can’t handle running a campaign, he can’t handle holding the highest office. Biden’s alarming cognitive decline not only jeopardizes our national security but is also a threat to every American.”

Congressman Cline stressed the importance of why Biden needs to step down from his position, “We need a leader who can handle critical decisions around the clock, every day of the year. It’s time for Biden to step aside voluntarily, or his Cabinet must take action under the 25th Amendment for the good of our nation. He needs to prioritize our national security and the welfare of all Americans over his tenure of power.”

Furthermore, Congressman Cline addressed how the Democrats forced Biden out of the race 106 days before the election, “Over the years, Democrats and their media allies have shamelessly dismissed valid concerns about the President’s mental capacity as conspiracy theories. Every individual involved in this cover-up, particularly Vice President Harris, must be held accountable for their actions.”

In closing, Congressman Cline discussed why Kamala Harris would be just as much of a disaster in the White House as Joe Biden, “Over the last three and a half years, the string of failed policies goes beyond Biden alone; it encompasses the entire Biden/Harris Administration. Harris is set to perpetuate their extreme leftist agenda, responsible for the drastic inflation, the dire southern border crisis, and the profound harm inflicted on every American family. The American people are sick of this extreme agenda that this Administration is pushing, and they deserve better.”

Ben is correct, if Mr. Biden cannot run a campaign for President, how can he serve as President.

If this is the best that the Democrat Party can give to the Republic, the concept that they have done everything possible to ensure no real nomination contest, and then remove their handpicked candidate once it became clear that he was incompetent to run and serve, that the Democrat party is trying to turn the USA into a Banana Republic and they must be stopped.

Yesterday, on Capitol Hill, Secret Service Kim Cheatle testified on Capitol Hill in front of the House Oversight Committee. For once, Democrats and Republicans were able to agree on something – that Secret Service Director Kim Cheatle has been an absolute disaster and needs to resign or be fired.

While I did not appreciate Democrat Jamie Raskin getting preachy on gun control and banning AR-15's, the fact is that pretty much every Member of the House Oversight Committee called for Ms. Cheatle to resign. Having watched most of the yesterday's events – Ms. Cheatle's performance was an absolute disaster. She was clearly covering for her own failures.

Here are some highlights from yesterday's fiasco. If you're sensitive towards harsh language, you might want to skip over Rep. Nancy Mace's commentary. <https://www.youtube.com/watch?v=xG3Ns49k87Y>

Ben Cline has also called for Director Cheatle to resign. His statement can be found on Twitter. Here is the text of Ben's statement:

I echo the Speaker's remarks. Kimberly Cheatle, the Director of the U.S. Secret Service, should resign immediately. This was an abysmal failure, and those responsible must be held accountable.
